Product Specifications

Our powerful tile cutting tool is ideal for shaping ceramic wall tile around bathroom or kitchen fixtures or plumbing pipes. And if you're feeling creative, you can even use the tool to create a decorative design in your tiles. Just use the tile cutting bit to carve your design, like a sailboat, then fill the grooves with colored grout.

- Cuts ceramic wall tile, cement board and plaster (Not for use on floor tile)
- A high-speed cutter with a 1/8" steel shank
- Great for contractors
- High-speed cutter mounted on a 1/8 In. steel shank
