

Wireless Motion Sensor LED Spotlight

Item #
MB360XT
White & Dark Brown

Key Features

- **Motion/Light Sensor:** The Spotlight instantly turns on when it detects motion from up to 30 feet away. The light sensor helps to prevent light from activating in daylight.
- **Easy to Install:** No wires = quick and easy installation in under 5 minutes; no electrician required.
- **Energy Efficient:** Our high quality LEDs never need to be replaced. It's so efficient, you will get more than 40 hours of light on one set of batteries.
- **Bright LEDs:** The bright, powerful LED provides 200 lumens of bright white light. Designed with custom optics for the perfect intensity and focus.
- **Multipurpose:** Brightly light up patios, decks, porches, yards, stairwells, hallways, garages, entrances/exits.
- **Durable, Weather Resistant:** Tight seals and UV resistant material allow the Mr. Beams Spotlight to work in all weather conditions.
