ORGANIC BASED GARDEN FERTILIZER MULTI-PURPOSE 20-8-8

This ORGANIC BASED GARDEN FERTILIZER MULTI-PURPOSE 20-8-8 dissolves quickly when mixed with water. Feeding while watering your plants provides fast nutrient uptake through the roots for better results.

Recommended for all indoor and outdoor plants including: flowers, fruits, vegetables, herbs, roses, trees, shrubs, lawns, vines, ground covers and houseplants.

**This soluble garden fertilizer is only available in Canada.*

BENEFITS
